## New business:

## a. Residence, 1990 Black River Road, Pottersville Village

Christine DiRienzo presented plans to replace the crumbling front porch with one that requires 21 square feet of extra ground coverage. Because a foundation is not possible due to a nearby gas line, the solution will use footing and framing. The porch begins 5 inches below the door and the stairs will be pitched with a 7 inch rise. The HPC approved the plan.

## b. Sterling Security, 40 Pottersville Road, Pottersville Village

Julie Aronson presented a plan to replace the roof with Timberline shingles (weathered wood look). The HPC approved.

## c. Jardiniere, 84 Somerville Road, Bedminster Village

Florist Michael Pellegrino presented plans to convert the former Busy Bee playground into a 14 car parking lot and bring the existing sign, which will be painted white, from Far Hills to his new location. The HPC approved.
