CAMP BEDMINSTER

June 24 – August 9

(7 Week Program – Entering Grades 1 to 7)

Now in our 45th year! Camp Bedminster offers terrific and safe summer fun for children entering Grades 1 to 7! Camp Bedminster is a half day summer camp held in the Bedminster School from 8:30 am to 12:30 pm, Monday through Friday for seven (7) consecutive weeks beginning June 24 through August 9. **Camp will not be held on Thursday, July 4.**

Before Care is available for an additional fee beginning at 7:45 am. If you are looking for an extended day program, offered separately is our **Lunch Bunch Program** which is a supervised “bring your own lunch”/recess program, followed by a variety of week-long **Afternoon Camps from 1 to 4 pm.**

Camp Bedminster activities include simple Arts & Crafts, Sports, Cooking, Traditional Games, Discovery Sciences, and Musical activities. Additional activities include Camp Olympics, theme days, group skits, talent show, and field trips. Campers are divided into groups by grade and supervised by Counselors and Counselors-In-Training (CITs) with specialists teaching the main activity areas. You can choose either a three (3) day or five (5) day camp option. The 5-day option includes field trips which are scheduled on Tuesdays and Thursdays. The 3-Day option meets Mondays, Wednesdays and Fridays only and the children do not attend the trips. Tuition assistance is available.

We are offering three (3) sessions of Camp Bedminster in either the 3 or 5 day format OR you can choose the entire seven (7) week option (at a discounted rate). This format requires a great deal of coordination therefore we are asking that you register early and on time as registration will not be available after May 31. The options are as follows:

B3 ZANY ZOOLOGY AMAZING ANIMALS

Bedminster Recreation is teaming up with Bricks Bots and Beakers to offer a fun-filled summer camp program. Are you ready for an adventure into the animal kingdom? From majestic mammals to fascinating monotremes and awesome reptiles – it's an animal lover's dream! Daily we will learn about two unique animals, discovering how they interact with their habitats and investigating what they eat and how they behave. Through hands-on activities, simulations, games, and experiments, our classroom will be transformed into a Zoology lab!
