### *Additional Narrative*

**Narrative Prompts:** A detailed assessment as to whether representation has improved for any previously identified underrepresented groups  
A description of the data used to determine the existence of any underrepresentation.  
Any new or modified Program goals to be implemented in the upcoming year

The Bedminster Township Police Department is not governed by civil service rules. At the current time, the Bedminster Twp Police Department will continue to utilize our current hiring process to attract the most qualified candidates.

#### Application Process:

The hiring process requires interested candidates to submit a resume and complete an application on the PoliceApp platform. The Chief of Police shall appoint a hiring review board from among members of the police department to evaluate, interview, and assist in making a recommendation to the Township. The hiring review board will review the resumes and may extend an interview invitation to qualified candidates who meet the general qualifications.

After the oral interview, all candidates are given an exit memorandum which explains the N.J. Attorney Generals required notice under Directive 2018-2 and next steps overview. The hiring review board narrows the candidate pool down to no more than two candidates per job vacancy.

The first candidate is requested to complete an employment application and personal information release authorization. After the completed application and signed release are received, the background investigation is undertaken.

Upon completion of the background investigation, the Chief makes the hiring recommendation to the Township's Police Subcommittee. The next phase is to schedule the applicant for a psychological examination and conduct a drug screening and seek a medical clearance.

A preliminary job offer letter which outlines requirements that must be met in order to become a probationary officer and full time permanent police officer is presented to the applicant. After all pre-employment tasks are completed the applicant is appointed by resolution by the Township Committee.

If the Applicant does not accept the conditional offer, a background would commence on the second and subsequent applicants as necessary. Bedminster Township Police Department reserves the right to maintain a list of interviewed candidates for future consideration without implementing a new hiring process.

#### Data Used to Determine Underrepresentation:

The data used for determination of underrepresentation was taken from the 2020 US Census demographic statistics specific to race and ethnicity and gender of current officers. The department is aware that Black or African American and Asian applicants are an underrepresented group. This has been determined using basic data concerning the makeup of the police department. During the next hiring process, the New Jersey Asian American Law Enforcement Association and the National Organization of Black Law Enforcement Executives will be notified of the hiring process in an attempt to bolster recruiting. Once the hiring process is completed, an analysis can be conducted of both the agency's demographics as well as the demographics of the applicant's. The recruitment process will then be evaluated to determine if changes should be made in an attempt to improve the representation of these groups.
